21st November, 1946.

Messrs. The Wallsend Slipway & Engineering Co. Ltd.,
Wallsend-on-Tyne.

Dear Sirs,

s.s. "HOPESTAR" - Order No. 415.B.
New Centre Boiler - Boiler Pipe Arrangement.

With reference to your letter of the 12th instant with which you submitted triplicate copies of plan No. 43740 showing the modifications to the boiler pipe arrangements, we beg to return one copy herewith and to inform you that this plan will be approved, provided the steel castings be made at Approved Works and tested as required by the Rules, the drainage arrangements be to the satisfaction of the Society's Surveyors, all pipes, valves and fittings subjected to steam of a temperature above 425°F. be made of steel or other approved material and the work be carried out under the usual conditions of survey and testing.

The remaining copies of the plan have been retained for reference in the Society's London and Newcastle Offices.

1 plan.

Yours faithfully,
THE SURVEYORS.

per

J. H. Walker
