Dear Sir,

S.S. "HOPESTAR"

Your letter of the 10th inst., addressed to the Owners of the above vessel regarding the No. 1 Special Survey which is now due on the above vessel, has been passed on to us to deal with.

The Owners of the vessel have the question of this survey well before them, and owing to the present extreme national emergency are desirous of taking advantage of the year of grace within which to carry out the Special Survey. Should you wish one of your Surveyors to make a general superficial inspection of the vessel, an opportunity could be given for this to be carried out on the vessel's return from her present North American Voyage.

Yours sincerely,
