To Mr. W.G. Davies,  
Lloyd's Surveyor,  
FREMANTLE.

Dear Sir,

Acting under instructions I examined  
propellor and tail shaft of the s.s. "Hopestar".  
Owing to fresh water being in the river at the time  
my examination was by feel only. I am satisfied that there  
is no fouling or damage to either the propellor or shafting.  
Yours faithfully,

Diver.
