The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement. — Extract from Sub-Committee's Report, 24/6/92.)

Nature of Survey

The Newcastle-on-Tyne Surveyors report this vessel placed in dry dock, bottom cleaned and coated, ~~repairs to~~ and minor repairs effected.

It is submitted the vessel appears worthy to remain as classed with record of survey 12, 37 as recommended.

this survey, thus, for example:— .....to remain as now classed in the register book without fresh record of survey, "to remain as classed and to survey, 1,24," or "to remain as classed and to have record of survey, 1,24, and the notations of ss No. 1-24 and ptND24, &c."

This vessel is eligible, in my opinion, to remain as classed and have record of survey 12, 37
