<p>I shall be glad if you will ascertain and let me know what arrangements have been made for vessel to be surveyed for the extension or renewal of the onboard Certificate which will expire on the 20th proximo. At the same time I think it will be well to point out that the vessel will require to be generally examined in accordance with Circular 12 before the end of next month.</p> <p style="text-align: right;"><i>ABU.</i></p>	<p>Date:— 13th January, 1941.</p> <p>The Owners inform us that this vessel has been aground in Belfast Lough and is now undergoing some temporary repairs at Belfast, with a view to being towed to the U.K. for permanent repairs which, it is anticipated, will take about six months.
