NEWCASTLE /TYNE

1st December, 1939

Dear Sir,

m.v. "HOPEMOUNT" and "HOPESTAR"

We thank you for your advices of the 28th ult., from which we note the Safety Radiotelegraphy Certificates require renewing on the 22nd and 20th February respectively. We are afraid in these days of directed voyages it is impossible for us to forecast where these ships will be at that time but we are making a note to have the work done when required.

Yours faithfully,

etc.
