r,

We have to acknowledge receipt of your communications of 28th ult.

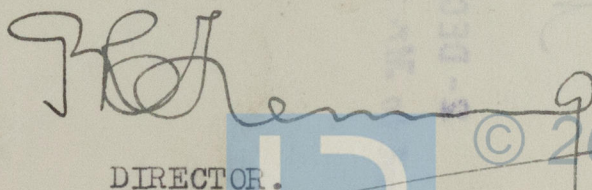

S.S. "HOPESTAR" This ship is on passage to Australia and will  
leave there at the end of December on open Charter which  
is usual Mediterranean/U.K./Continent Range and also India and  
We are thus unable yet to state where she will be on the 20th  
but will keep this matter before us.

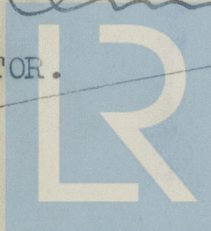

M.V. "HOPEMOUNT" This ship is leaving Singapore today but as  
on Time-charter and out of our control we do not know her future  
is sufficiently well to state where she will be when the Survey  
due. We shall, however, give this matter our attention later.

S.S. "HOPECRAG" We have now sold this ship to Norwegian Buyers.

Yours faithfully,

For and on behalf of  
STOTT MANN & FLEMING LTD.
