WOKINGHAM.

Dear Sirs;

S.S. "HOPESTAR"

Your letter of 15th inst. regarding Annual Load Line Survey on the above vessel, which becomes due in July this year, has been passed on to us by the Owners for our attention.

They have the question of this survey well before them and propose to have same dealt with during the period of grace allowable. It is most likely that we will be able to make arrangements for this to be held at a North-East coast port.

When arrangements are completed we will communicate direct with your surveyors at the port where the work will be done.

Yours sincerely;

Wilson & Burletson
