Dear Sir,

## Steamer "HOPESTAR".

The Owners are arranging to revert to normal loading in the case of this shelterdeck vessel which at present has deeper loading freeboards in accordance with the recent Ministry Authorisation now cancelled and we should be glad to receive Freeboard Assignment Letter and any necessary instructions in this connection. Owing to labour difficulties the Owners are at present unable to say whether or not it will be possible for the tonnage opening to be re-opened and any other structural work to be carried out at the present time.

We are, Dear Sir,  
Yours faithfully,  
THE SURVEYORS.
