Enclosures.

8th October 1947.

S. Dear Sirs,

With reference to the classification in the Society's Register of Yachts of the Steel Yacht "JOHN WILLIAMS V", I have to confirm my cablegram of the 29th ultimo as per copy attached, from which it will be noted that the Owners desire the outstanding surveys to be held.

With regard thereto, I shall be glad if you will be good enough to appoint a competent and independent Surveyor to carry out the requisite inspections on behalf of this Society, as in previous similar instances.

For the information of the Surveyor I enclose an abstract from the Rules detailing the inspections, together with the necessary report and certificate forms.

At the same time, I would add that all fees and expenses due on account of these inspections are payable by the Owners or their representatives and should accordingly be charged by you to them.

Yours faithfully,

Chris, Hedstrom Ltd.,
