Sirs,

In respect of your enquiry of the instant I have heard from our representative at Suva, Fiji, that the John Williams V is undergoing survey in Suva at the present time. I have not been informed of the exact character of the survey but if you can communicate with your agent in Suva or with your agent, who I believe acts on your behalf, asking that the Special Survey of hull machinery and screwshaft survey should be undertaken, I believe it could be done forthwith.

Yours faithfully,

*Howard Diamond*

Assistant Treasurer.
