London. E.C.

Dear Sir,

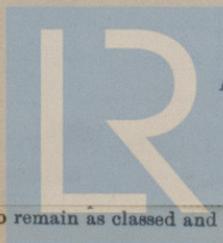

I should be glad if you would kindly advise me when the next survey of the Auxiliary schooner "John Williams V" is due to take place. I may mention that the Society is expecting to dispose of this vessel early in 1948 and the S.S. "Empire Sloane" has been purchased with a view to conversion to serve the Society's purposes in place of the "John Williams V". As you are aware, steps are to be taken during the current year to bring the "Empire Sloane" into accord with the requirements of Lloyds Register and when this has been done the name will be changed to "John Williams V".

In the meantime, I should be glad to have an answer to my question regarding the date of survey of the A.S. "John Williams V" so that I may advise my correspondent in Suva.

Yours faithfully,

*D. Diamond*
