Enclosures.

7th October, 1931.

Dear Sir,

Motor Yacht "JOHN WILLIAMS V"

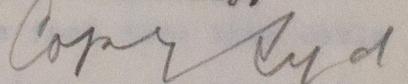

S. I duly received your letter of the 2nd instant, with its enclosures from Lloyd's Agents at Suva, from which it is noted that the additional 60 fathoms of cable which have been shipped from this Country for this vessel have now been placed on board and examined by a Surveyor appointed by Lloyd's Agents at Suva.

In the circumstances I have the pleasure to say that the Committee have agreed to accept the report in question as evidence that the cable referred to is now part of the vessel's equipment, and the matter is therefore in order.

I return the documents which you have been good enough to forward for perusal.

I am, Dear Sir,

Yours faithfully,

pro Secretary.
