2nd October, 1931.

The Secretary,  
Lloyds Register of Shipping,  
71, Fenchurch Street,  
E.C.

Dear Sir,

With reference to the sixty fathoms of cable recently shipped to Suva to be placed on Board the Auxiliary Schooner "John Williams V", registered number 161429, I beg to report that the cable has been inspected by Lloyds Surveyor and his Certificate is enclosed.

I understand that Lloyds Register has no Surveyor at any port which the vessel is likely to touch for some time to come, I should therefore be glad to know whether the attached report can be accepted as sufficient evidence for the purpose of Lloyds Register.

Yours faithfully,

*Edward Diamond*

Asst. Treasurer.
