Dear Sir,

Auxiliary Schooner - 'JOHN WILLIAMS V'  
.....

We are in receipt of your letter of the 29th ulto., and we note that you have heard from your Head Office that the additional Cable which has been ordered for the above vessel has been noted as additional to the vessel's equipment.

We also note the procedure to be adopted in order that the ship may be credited with this additional Cable, and we have instructed the London Missionary Society - the Owners of the vessel, accordingly. It is just possible the vessel may some time in the near future be at Sydney for supplies, in which case it could be arranged that the Surveyor go on board and satisfy himself as to the Cable being there and the Certificates being produced.

Yours faithfully,

For THE GRANGEMOUTH DOCKYARD CO. LTD.

Secretary.
