Dear Sir,

'JOHN WILLIAMS V' - NO. 418.

ANSR

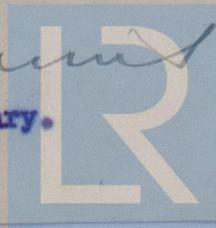

We have been requested by the Owners of the above vessel to supply two additional 30. fathom lengths of 12/16in. diameter Stud Link Chain Cable, with the necessary joining and end shackles. We learn from the Owners that it is their intention to instal this additional Cable on board so as to prevent, if possible, any dragging of the anchors in heavy weather. It is just possible you may wish to record this addition to the outfit in respect of this vessel.

The Cable has been ordered from Messrs. Byers and will in all probability be shipped to Suva on or about the 24th prox.

Yours faithfully,

For THE GRANGEMOUTH DOCKYARD CO. LTD.
