The Secretary,
Lloyd's Register of Shipping,
71, Fenchurch Street,
LONDON, E.C.3.

Dear Sir,

We beg to refer to your instructions of 8th October 1947, and to the London Missionary Society's application of 28th October, 1947, to us, for the 2nd Special Survey No.1 of the Motor Yacht "JOHN WILLIAMS V" for the purpose of reclassification. We are now pleased to advise that the Survey, the completion of which has been long delayed owing primarily to congestion on the Government Slipway and also to the fact that the vessel was permitted to make a special relief voyage to the Solomon Islands, is finally completed. We now attach the following documents in connection with this Survey:-

- a) 2nd Special Survey No.1 on the Hull
- b) 2nd Special Survey No.1 on the Machinery.
- c) Renewal Survey for the Load Line.
- d) Freeboard verification form.

A copy of these documents is being sent to the Principal Surveyor, Lloyd's Register of Shipping, Sydney.

We trust that the survey and in particular the documentation is correctly carried out to your entire satisfaction.

Yours faithfully,

MORRIS, HEDSTROM, LIMITED
