Dear Sirs,

Reverting to your letter of the 21st November, the case of the steamer "SKELDERGATE" will be placed before the Committee on the 15th December with a view to a casualty record being inserted against her name in Lloyd's Register Book. Should this record be made her class will be expunged at the same time.

If, however, you know of any circumstances which should be considered before taking this action, please let me know by return of post.

Yours faithfully,

pro Secretary
