Enclosure

12th November, 1913.

Sir,

I beg to acknowledge the receipt of your telegram of to-day reading as follows, viz:-

"IRRAWADI Boiler plan not forwarded with report please wire when plan approved or if duplicate" and

to confirm my reply thereto as follows:-

"33322 IRRAWADI boiler approved 1st. January as Dunsmuir & Jacksons 422 should have been 442 plan being forwarded to-night".

Through inadvertence this plan was originally submitted as No.422 and was approved as that number and it is regretted that the plan for Boiler No.442 was not forwarded with the report. The same is now enclosed herewith.

I am, Sir,
