Communications to
be addressed to
THE SECRETARIES.

M.

Sir,

With reference to your letter of the 7th instant regarding the first entry report No 10091 on the new steamer "ALBERTVILLE", I beg to say that the rivets connecting the frames to the plating are spaced six diameters apart, and I regret the clerical error which has arisen in regard to this matter.

I am, Sir,

Your obedient Servant,

Forman & McClelland.

The Secretary,
LONDON.
