

Received by Chief Ship Surveyor 7. 2. 13

Received from Chief Ship Surveyor .....

VESSEL'S NAME Steel T.T. Albertville Rpt. Aut. No. 10091

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey First Entry

It is submitted that before this case receives  
the consideration of the Committee the Antwerp Surveyors should  
be requested to state whether the rivets connecting the frames  
to the plating are spaced ~~six~~ diameters apart.
