LISBON

Dear Sir,

S.S."ANGOLA"

With reference to your letter of the 7th instant,
I return herewith the calculations after same being approved
by this Department.

(1) I have noted the manner by which Lloyd's calculates
the "Depth for freeboard" which does not agree, in fact, with
the letter of the Convention but with the British law.

(2) The winter mark must not be applied in view of the
way the calculations for the summer freeboard were made.

(3) I agree with the sketch.

I am, Dear Sir,

Yours faithfully,

(Signed) Carlos Theddoro da Costa.
