Dear Sir,

S.S. "ANGOLA".

I have to acknowledge the receipt of your letter of the 17th. instant with reference to the Freeboard computation of the above named vessel.

The height of the sill of the lowest sidelight has today been measured and found to be as originally reported.

The copy of the report has today been sent to the Mercantile Marine Technical Department, together with a letter containing your remarks regarding the hatch beam bearing surface on the freeboard (shelter) deck.

I am, Dear Sir,

Yours faithfully,

The Secretary.
