Communications to
addressed to
SURVEYORS.

Dear Mr. Mares

With reference to the Freeboard report forwarded to-night on the S. S. "Albertville", I beg to point out that while this vessel is practically a sister vessel to the "Riversville", she has not been required to comply with rules for B.T. Passenger Certificate and does not call at British ports, and I have therefore left the recommendation of the Freeboard to you to assign the most favourable.

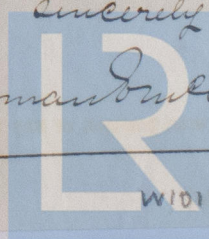

Only received the official dimensions and tonnage this evening, the request form has not been sent by the Builders in time, but as I am going to the yard to-night to proceed on board the vessel for 2 or 3 days official trials, I will have a form posted to you direct.

Wishing you the Compliments of the Season, and
With Kind regards.

I am, Yours sincerely,

Norman D. Clelland.

C. R. Mares Esq.
London.
