

17th October, 1949.

Dear Sirs,

S.S. "EILATH"

I duly received your letter of the 5th September enclosing Drawings Nos. 235 and 301 in connection with the alterations carried out to the above ship, and have pleasure in stating that the scantlings of the front of the deckhouse as indicated on Drawing No. 301 are in order.

It is noted that the vessel is sailing on the Haifa - Tripoli (Tripolitania) Line and in the circumstances the plans are being forwarded to Messrs. J.V. Delbourgo & Son, Lloyd's Agents at Haifa, who are being requested to appoint a Surveyor to inspect these alterations and report to the Committee.

Yours faithfully,

Messrs. Shoham Ltd.,  
7-9 Kingsway,  
P.O. Box 1723,  
HAIFA.

Secretary.
