ENCLOSURES.

Dear Sirs,

S.S. "BILATH."

I duly received your letter of the 28th June enclosing 2 plans, showing alterations carried out to the above ship, and have pleasure in stating that the scantlings and arrangements will be approved. The plans are being returned herewith and I shall be glad if you will again forward them to this office after noting. It will be appreciated that it will be necessary for the Society's Surveyors to inspect the work carried out, and I shall therefore be glad if you will state when and at what port this can be done.

At the same time I shall be glad if you will forward, for consideration, further particulars of the scantlings for the front of the deckhouse.

Yours faithfully,

Messrs. Shoman Ltd.,
