

30th June, 1950.

LISBON.

112,17. As recommended.

110 "PINHEL" The contents of your report and Interim Certificate are noted, and it is not proposed to take any further action for the present until it is known when demolition has commenced.

"ILHA DE MAIO" With reference to my classing letter of the 10th ultimo, I shall be glad to learn whether you are yet in a position to state what arrangements the Owners are making to carry out the modified Survey of the oil engines, due last February.
