95, Bothwell Street,

Glasgow, C.2. 2nd May, 1939.

Dear Sir,

In reply to the London letter of the 28th ultimo regarding the Refrigerating Machinery of the S.S. "RARANGA", I beg to state that I have been unable to ascertain when the condensers were last tested, but this information may be in the possession of the Owners in London.

As there is some doubt as to which of the condensers is defective and the vessel will arrive back in Glasgow in July, it is suggested the matter might be left until then when a further report will be forwarded.

I am, Dear Sir,

Yours faithfully,

B. E. Murdoch

The Secretary,

GLASGOW.
