Lloyd's Register of British & Foreign Shipping,  
71, Fenchurch Street, E.C.

Sir,

S. S. "RARANGA".

Owing to the disorganisation of our Service consequent on conditions existing at the present time, this vessel will most probably have to take outside business, and we find it is possible an increase of weight carrying capacity will be an advantage.

We propose therefore to close in the Shelter Deck spaces conform with your Society's requirements, so that a reduction of deck board may be obtained, and we shall be obliged if you can give the matter your immediate attention.

The vessel is now discharging in the Royal Albert Dock, and can be seen by your Surveyors at any time.

We are, dear Sir,

Yours faithfully,

For SHAW SAVILL & ALBION CO. LTD.
