Dear Sir(s), "LINDENHALL".

I am directed to acquaint you that in accordance with the arrangements at present in force for the substitution of Special Periodical Surveys by successive General Examinations at twelve-monthly intervals, a General Examination for maintenance of class of the above-named vessel will require to be held before the end of **October next** and I shall be glad to learn, for the information of the Committee, when and at what port it is proposed to submit her for the requisite inspection.

At the same time I think it well to remind you that the vessel's Freeboard Certificate will expire on the **4th October 1942** and you will doubtless wish to arrange for the necessary Freeboard Survey to be held in conjunction with the above General Examination, with a view to the renewal of this certificate.

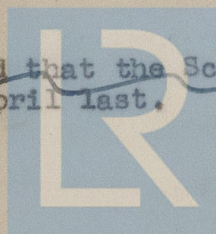

I am, Dear Sir(s),

Yours faithfully,

The West Hartlepool Steam
Navigation Co. Ltd.,
38, Church Street,
WEST HARTLEPOOL.

Malcolm H. Scott
Secretary.

~~P.S. I think it well to add that the Screwshaft Survey became due at the end of April last.~~
