Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

13th March, 1937.

Dear Sirs,

E.

Messrs. Wm. Gray & Co's Yard No. 1076.
Messrs. Central Mar. Eng. Works Boiler No.1076.

I duly received your letter of the 9th instant, with enclosures advised therein respecting the above contract, and with regard thereto I have to inform you that the plans of superheaters will be approved for a working pressure of 220 lb. per sq. inch, provided the steel castings be made at approved works and tested as required by the Rules, a safety valve be fitted to each part of the superheaters which can be isolated from the boilers, the superheaters be constructed under the usual conditions of survey and testing, and the whole be tested to three times the working pressure.

Two sets of the plans now approved are being returned to you under separate cover.

I am, Dear Sirs,

Yours faithfully,
