Enclosures.

12th August, 1929.

Port Campbell & Port Denison

Dear Sirs,

M.

I am in receipt of your letter of the 10th instant returning the plan of thrust shaft, wheel shaft and coupling pieces approved for the s.s. "PORT AUCKLAND", and in compliance with the request contained therein I send herewith two plans of the alterations to the engine room tank and bulkheads of the s.s. "PORT DENISON", and I shall be glad if you will return these to this Office as soon as done with.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE-ON-TYNE.
