Dear Sirs,

S With reference to the correspondence which has passed between us regarding the case of the "CYDONIA", it has been suggested by our Chairman of Classification, Mr. Barraclough, that as Mr. David Robinson will in all probability be attending the meeting of the West of England Steam Ship Owners' Protection and Indemnity Association next week, he might care to call in this Office for a few moments in friendly discussion of our respective points of view - our office being almost exactly opposite that of the above-mentioned Association.

Yours faithfully,

Clerk to the  
Classification Committee

Messrs. The Stag Line, Ltd.,
