Dear Sirs,

We thank you for your letter of 25th January and note the action you propose taking with regarding to the steamer "Cydonia". We confirm that as far as we are concerned the vessel has been considered a constructive total loss with effect from the date of the mining, that is 21st October, 1949. We note the action you propose taking which as far as we are concerned seems in order although the vessel does not now belong to us. She has been sold to Messrs. R.S. Hayes (Pembroke Dock) Ltd. We do not know whether they intend breaking her up or what they intend doing with her. We suggest that you contact them direct should you wish any further information.

Yours faithfully,

*Joseph Robinson & Sons*
