Dear Sirs,

We thank you for your letter dated 8th December and are very much obliged by your assistance and action in telephoning the Society's Principal Surveyor for the Bristol Channel and requesting him to keep in constant touch with Messrs. Ferugusson & Law.

We have now received word, although it is still subject to confirmation, that our War Risks Underwriters have accepted our abandonment of the vessel and she will be dealt with as a constructive total loss.

Yours faithfully,

(Signed)
