

you off report
W.S. 572
INKPEN

25 APR 1946

It is submitted the WEST HARTLEPOOL Surveyors with reference to their letter of the 16th instant be informed that this vessel was built under the Special Survey of this Society, completed in June 1942 and classed ~~LOCAL~~ "Stm Trawler" "For Government Service."

With a view to maintenance of class, with "For Government Service" deleted, the requirements of a SPECIAL SURVEY should be complied with and the conversion to a fishing unit, as proposed by the new Owners, carried out under the supervision and to the satisfaction of the Surveyors.

It appears from the First Entry Report that the bottom is cemented to the top of the floors in the engine and boiler spaces, bunkers and peaks and that "Bituros" solution has been applied in the fresh water tanks. If cement or approved composition is not laid on the bottom clear of these spaces, same will require to be submitted to internal annual examination.

The equipment should be in accordance with the tabular requirements for letter "A" of the Trawler Rules.

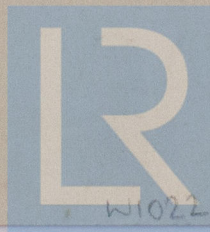

A Report 8 including particulars of any structural alterations and repairs should be forwarded in due course.

The First Entry Report should be sent to the Surveyors for their guidance.

The space for (as per Royal Warrant)
for R.M.
