Lloyd's Register of Shipping,
47, Church Street,
West Hartlepool, 16th April, 1946.

Dear Sirs,

Will you kindly forward 1st Entry reports & plans and deferred reports for the Trawler "VALESCA", No. I52I3 in the Register Book.

We shall also be glad if you will forward 1st Entry reports & plans (Hull & Machinery), if any, for the Trawlers "COLDSTREAMER" and "~~INKPEN~~" stated to have been built by Messrs. Cook, Welton & Gemmell Ltd, in 1943 & 1942 respectively, for the Admiralty. These vessels are to be re-conditioned here by Messrs. Wm. Gray & Co. Ltd.

The Superintendent for the new Owners, Messrs. Hellyer Bros. Ltd., of Hull, stated that they desired the vessels to be classed by the Society and that they had been built of scantlings approved by the Society.

We are, Dear Sir,
Yours faithfully,
The Surveyors,
