

Enclosure.

28th September, 1949.

Dear Sir,

H.

I enclose the deferred reports and attached correspondence relating to the Steamer "THE LADY BELLE" and would draw your special attention to my letter of the 3rd instant addressed to the Owners and their reply of the 20th instant.

I shall be glad if you will advise me promptly should the full Special Survey and all essential repairs not be dealt with at this time.

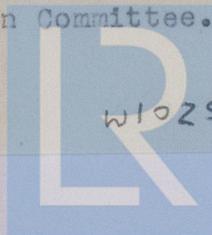

It will be noted that the Boiler Survey will again become due at the end of the present month.

Yours faithfully,

W. H. Waggott, Esq.,

DUBLIN.

Clerk to the
