

S.S. "THE LADY BELLE".

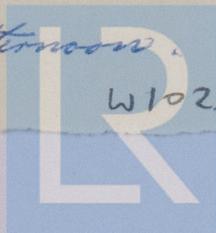

I have telephoned to Mr. Soar at Liverpool, and he states the case as set out in Liverpool report No. 129360 was fully discussed with Mr. Newton, who expressed the definite recommendation that the Special Survey should be carried out by the end of September, 1949 as stated in his report.

No further survey was held later than 8,7,49.

Clare

2. 9. 49.

Also Stated Mr Newton ^{after} proceeding on holiday ^{this} afternoon.
