Dear Sirs,

I beg to acknowledge the receipt of your letter of the 6th instant, intimating that the Steamer "TANCHER" is still laid up at Falmouth and that negotiations for her sale for scrapping are already well advanced, and with regard thereto I have to inform you that, in the circumstances, the Committee have deferred consideration regarding the outstanding surveys pending a further communication from your goodselves as to when and where the vessel is to be broken up.

Yours faithfully,
