

15th November, 1949.

Your Ref: GG/MT.

Dear Sirs,

I beg to acknowledge receipt of your letter of the 11th instant intimating that the steamer "TANCHEE" is laid up in the River Fal with no prospect of her being recommissioned at the present time, and I have to inform you that in the circumstances the Committee are agreeable to the renewal of the stoppered stay tubes in the starboard boiler being postponed for the present.

Yours faithfully,

copy to Falmouth

Clerk to the
Classification Committee.
