

10th November, 1949.

Dear Sirs,

S.S. "TAHCHEE".

H.

I beg to acquaint you that in May last the Society's Surveyor at Piraeus recommended that some stoppered stay tubes in the starboard boiler should be renewed by the end of the present month, and I shall be obliged if you will kindly let me know what arrangements are proposed to be made for this matter to receive attention.

Yours faithfully,

Clerk to the
Classification Committee.
