

Received by Chief Ship Surveyor 19.9.14.

Received from Chief Ship Surveyor

VESSEL'S NAME Stl. S.S. "TAHCHEN".

Rpt. Mar.

No. 8615

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Structure of Survey

FIRST ENTRY.

It is submitted that before this case receives the consideration of the Committee the Newcastle Surveyors should be requested <sup>by wire</sup> to forward a report on form No. 8 stating in detail whether the whole of the items mentioned in the Middlesbrough Surveyors letter of the 2nd instant have been complied with, and also whether the structure outside the oil tanks has been examined for odd riveting generally, not completed at Middlesbrough. *as per Sec letter of the 15<sup>th</sup> inst*
