Dear Sirs,

M Reverting to my letter of the 12th instant respecting the new steamer "TAHCHEE", I have to inform you that a letter has been received from the Society's Surveyors at Middlesbrough stating that the structure outside of the oil tanks requires to be examined for odd riveting generally, and I shall be glad if you will give the matter the necessary attention.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
NEWCASTLE.
