12th September 1914.

Dear Sirs,

With reference to your first entry report No. 8615 on the new steamer "TAHCHEE", I have to request that you will be so good as to state to what extent the structure outside of the oil tanks requires to be examined for completion of workmanship, in order that the Society's Surveyors at Newcastle may be advised.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

MIDDLESBROUGH.
