Enclosure.

12th September 1914.

Dear Sirs,

I have to inform you that the new steamer "TANCHEE" built by Messrs. Sir Raylton Dixon & Co. has proceeded to your port, where it is proposed to complete the survey, in accordance with the letter dated 2nd instant addressed to you by the Society's Surveyors at Middlesbrough.

In the circumstances I send herewith the first entry report of the vessel, and shall be glad if you will give the case the necessary attention, and on completion of the work return the report to this Office for the consideration of the Committee.

The Society's Surveyors at Middlesbrough have been requested to state to what extent the structure outside of the oil tanks requires to be examined for completion of workmanship.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
NEWCASTLE.

Secretary.
