by Chief Ship Surveyor 11.9.14.

Received from Chief Ship Surveyor \_\_\_\_\_

EL'S NAME Stl. S.S. "TAHCHEE". Rpt. Mdb. No. 8615

e remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

e of Survey First Entry.

It is submitted that before this case receives the consideration of the Committee, the first entry report should be forwarded to the Newcastle Surveyors to whose port the vessel is proceeding in order to complete the survey in accordance with the letter dated 2nd instant addressed to them by the Middlesbrough Surveyors. They should be requested to give the case the necessary attention and complete the report and return the same in due course.

The Middlesbrough Surveyors should be requested to state to what extent the structure outside of the oil tanks requires to be examined. *for completion of Workmanship*  
*in order that the Newcastle Surveyors may be advised*
