

ARD REPORT on the s.s. "TAHCHEE"

It is submitted the Freeboards given on the accompanying form, being those required by the Tables, merit approval subject to:-

The air pipes being provided with efficient closing appliances (if this is not already the case) ^{and} when the Convention Regulations are adopted by the Hong Kong Government.

The Surveyors should be advised that as the Convention Regulations have not yet been adopted by the Hong Kong Government, it will probably be necessary for the vessel to retain the original freeboards meantime.

The Hong Kong Surveyors should be advised and be requested to forward a verification of marking form when the freeboards are finally adopted and marked.
