Reference

Dear Mr. Soden,

With reference to the plan of Midship Section, as built, for the M.V. "PACIFIC ENTERPRISE" being forwarded today, I think it well to let you know that in the case of the sister vessel, M.V. "PACIFIC RELIANCE", the Lower Deck Beams were given on the classification certificates as 10" instead of 10½". Please note this in preparing the classification certificates on the vessel.

*With Kind Regards.*

Yours faithfully,

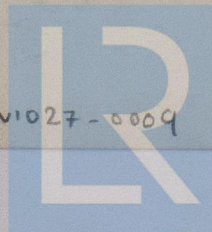

*W. D. Soden*

H.L.B. Soden, Esq.,

LONDON.

*P.S. The above was altered at the yard. and is now in order*
