Port TORONTO, CANADA,

November 1st, 1937.

## PROVISIONAL FREEBOARD CERTIFICATE

**This is to Certify** that

John Stephen

the undersigned Surveyor to this Society did at the request of the owners attend on board the Steamer "MORCHIC", 6905 tons gross of Port Arthur, Ontario, 134014 Official Number, for the purpose of assignment of freeboard under the Canada Shipping Act 1934 and Order in Council P.C. 1903.

The vessel substantially and reasonably complies with the provisions of the Order in Council P.C. 1903, and the following freeboard has been assigned by the Committee of this Society while the vessel is engaged in service on the Great Lakes.

Freeboard amidships from top of deck line, steel deck, to center of disc:-

Summer 10 ft. 6½ ins.

Intermediate 10 ft. 11 ins. 4½ ins. below center of Disc.

Winter 11 ft. 3½ ins. 9½ ins. below center of Disc.

The freeboard markings have been cut in on the vessel's sides, and verified, and in my opinion the vessel may safely proceed at those freeboards and only whilst engaged in service on the Great Lakes.

This certificate is provisional and temporary only and is issued during the interim until permanent certificate can be approved and issued.

*John Stephen*  
Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that :-

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
